

## The UAE Vision 2021 National Agenda aims for the UAE to be the safest place in the world

Therefore it seeks to reinforce its citizens' sense of security and achieve leading positions in the areas of security, emergency preparedness, reliability of police services and road safety.

Furthermore, the National Agenda reinforces the importance of a fair and active legal system that guarantees the rights of individuals and businesses, and makes the UAE's judicial system among the most efficient in the world.

### NATIONAL KEY PERFORMANCE INDICATORS

#### Safe Public and Fair Judiciary

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Judicial System Efficiency	A composite indicator that measures the effectiveness of enforcing contracts within the "Doing Business" report, using a survey implemented by the World Bank on (3) perspectives: The time needed to resolve a commercial case from its initiation to its resolution, the cost as percentage of the total value of the lawsuit, and the quality of judicial processes that measures whether an economy has adopted a series of good practices across four main areas: court structure and proceedings, case management, court automation and alternative dispute resolution	World Bank- Doing Business Report	Rank 18 (2016 Report)	Among the top 10 countries	Ministry of Justice
2	Reliability of Police Services	An indicator that measures the opinion of various segments of society about the ability to rely on police services to enforce law and order	World Economic Forum- Global Competitiveness Report	Rank 7 (2015 - 2016 Report)	Rank 1	Ministry of Interior
3	Sense of Security	A composite indicator that measures the sense of security among residents through a survey that covers different segments of society and different geographic locations (NKPI specific to UAE)	Ministry of Interior	92.4% (2014)	100%	Ministry of Interior
4	Road Traffic Death Rate per 100 Thousand Population	An indicator that measures the number of deaths resulting from road accidents per 100,000 population annually	Ministry of Interior	6.31 deaths per 100,000 population (2014)	3 deaths per 100,000 population	Ministry of Interior
5	Average Response Time to Emergencies	An indicator that measures the time it takes to respond to emergencies in all regions of the UAE, from the time an emergency is reported to the time a patrol arrives at the scene. The response time includes: receiving the emergency request, identifying and classifying its priority, determining its geographical location, moving the patrol, and reaching the location.	Ministry of Interior	Work in Progress	4 minutes	Ministry of Interior

Establish fast track courts. Segregate courts based on dispute. Establish policies with time limit for solving disputes.

Conduct events when public can interact with police. Police conducting charity drive. Patrols around crowded areas having stand by emergency services at various points.

Expand lanes for emergency vehicles. More stringent punishment / fines for offences.

Install trackers / GPS on emergency vehicles that can signal vehicles about an upcoming ambulance.

## The global economy will witness significant economic changes in the coming years and the UAE Vision 2021 National Agenda aims for the UAE to be at its heart

As a result, it focuses on the UAE becoming the economic, touristic and commercial capital for more than two billion people by transitioning to a knowledge-based economy, promoting innovation and research and development, strengthening the regulatory framework for key sectors, and encouraging high value-adding sectors. These will improve the country's business environment and increase its attractiveness to foreign investment.

The National Agenda also aims for the UAE to be among the best in the world in entrepreneurship as this plays a key role in unlocking the potential of nationals and enables them to be a driving force of the UAE's economic development through small and medium enterprises in the private sector. Furthermore, the Agenda strives to instill an entrepreneurial culture in schools and universities to foster generations endowed with leadership, creativity, responsibility and ambition. This will allow the UAE to be among the best in the world in ease of doing business, innovation, entrepreneurship and R&D indicators.

Moreover, the government aims not only to achieve leading positions in global reports, but to also provide a good life for its citizens. Therefore the National Agenda seeks to place the UAE among the top countries in the world in income per capita and ensure high levels of national participation in the private sector workforce.

### NATIONAL KEY PERFORMANCE INDICATORS

#### Competitive Knowledge Economy

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Non-Oil Real GDP Growth	An indicator that measures the real annual economic growth of all sectors except oil. It is one of the most important macroeconomic indicators and reflects the overall state of the national economy over consecutive years. GDP includes the total value of annual production of goods and services.	Federal Competitiveness and Statistics Authority	4.84% (Preliminary-2014)	5%	Ministry of Economy
2	Gross National Income (GNI) per Capita	An indicator that measures the average income per person in a country. GNI includes the value of all the services and products that have been produced in the country (i.e. GDP) in a given year, in addition to the country's net income from abroad (such as dividends and interest).	World Bank	Rank 3 (2014)	Among the top 10 countries	Ministry of Economy
3	Net inflow of Foreign Direct Investment as % of GDP	An indicator that measures foreign direct investment (FDI) as a percentage of GDP. FDI is defined as the amount of net inflow of investment required to achieve a lasting management interest (10 percent or more of voting stock) in an enterprise operating in an economy other than that of the investor. It is the sum of equity capital, reinvestment of earnings, other long-term and short-term capital, as shown in the balance of payments.	United Nations Conference on Trade and Development (UNCTAD)	2.66% (2014)	5%	Ministry of Economy
4	Global Competitiveness Index	A composite indicator that measures the competitiveness of countries based on (12) perspectives: institutions, infrastructure, macroeconomic environment, health and primary education, higher education and training, goods market efficiency, labor market efficiency, financial market development, technological readiness, market size, business sophistication, and innovation.	World Economic Forum-Global Competitiveness Report	Rank 17 (2015-2016 Report)	Among the top 10 countries	Federal Competitiveness and Statistics Authority
5	Share of UAE Nationals in the Workforce	An indicator that measures the share of employed UAE nationals out of the total workforce (expatriates and nationals), across all sectors (NPSI specific to UAE)	The National HR Development & Employment Authority (Tanmia)	5.0% (2014)	8%	The National HR Development & Employment Authority (Tanmia)
6	Ease of Doing Business Index	A composite indicator that measures government procedures around business activity. It is based on (11) sub-indicators: starting a business, dealing with construction permits, getting electricity, registering property, getting credit, protecting minority investors, paying taxes, trading across borders, enforcing contracts, resolving insolvency, and labor market regulations.	World Bank	Rank 31 (2016 Report)	Rank 1	Federal Competitiveness and Statistics Authority
7	Emiratization Rate in the Private Sector	An indicator that measures the share of UAE nationals employed in the private sector, as a proportion of the total private sector workforce (expatriates and nationals) (NPSI specific to UAE)	Ministry of Labor	1.0% (2014)	5%	Ministry of Labor
8	SME Contribution to Non-Oil GDP	An indicator that measures the share of GDP produced by small and medium-sized enterprises	Federal Competitiveness and Statistics Authority	60% (2011)	70%	Ministry of Economy
9	Global Entrepreneurship and Development Index (GEDI)	An indicator that measures 3 sub-indices: Entrepreneurial Attitudes (the general disposition of a country's population toward entrepreneurs, entrepreneurship, and business start-ups), Entrepreneurial Activity (the startup activity in the medium- or high-technology sector initiated by educated entrepreneurs in response to business opportunities in a somewhat competitive environment), and Entrepreneurship Aspiration (the efforts of the early stage entrepreneur to introduce new products and services, develop new production processes, penetrate foreign markets, substantially increase the number of firm employees, and finance the business with either formal or informal venture capital, or both).	Global Entrepreneurship and Development Institute	Rank 19 (2016 Report)	Among the top 10 countries	Ministry of Economy
10	Global Innovation Index	A composite index that measures the performance of innovation in countries. Innovation inputs are measured based on institutions, human capital and research, infrastructure, market sophistication and business sophistication, while innovation output is measured by knowledge and technology outputs, and creative outputs.	INSEAD	Rank 47 (2015 Report)	Among the top 10 countries	Ministry of Economy
11	Share of "Knowledge Workers" in the Labor Force	An indicator that measures the share of highly skilled workers, workers in high-level professions, and workers classified under the International Standard Classification of Occupations (ISCO - 08) of the total workforce. These jobs include: legislators, managers, business executives and specialists and technicians in the scientific, technical and humanization fields (i.e. the top levels of the classification of occupations).	Ministry of Labor	22.76% (2014)	40%	Ministry of Labor
12	Research and Development Expenditure as % of GDP	An indicator that measures the total domestic expenditure on research and development (in the public, academic, and private sector), as a percentage of GDP	Federal Competitiveness and Statistics Authority	0.5% (2012)	1.5%	Ministry of Higher Education and Scientific Research

Encouraging entrepreneurship

Setting up basic salary scale for all employees

Encouraged buying of foreign products.

Increased use of intra structures.

Increased hiring of UAE Nationals.

Adhering to rules laid out by companies

Employment opportunities for UAE Nationals.

Buying items from small shops / kiosks.

Encouraging student entrepreneurship.

Celebrating ideas of young, innovative minds

Aiming to study specialised courses.

Encouraging research among students.

## Education is a fundamental element for the development of a nation and the best investment in its youth

For that reason, the UAE Vision 2021 National Agenda emphasizes the development of a first-rate education system, which will require a complete transformation of the current education system and teaching methods. The National Agenda aims for all schools, universities and students to be equipped with Smart systems and devices as a basis for all teaching methods, projects and research. There will also be significant investments to promote and reinforce enrollment in preschools as this plays an important role in shaping children’s personalities and their future.

Furthermore, the National Agenda has set as a target that our students rank among the best in the world in reading, mathematics and science exams, and to have a strong knowledge of the Arabic language. Moreover, the Agenda will aim to elevate the rate of graduation from secondary schools to international standards and for all schools to have exceptional leadership and internationally accredited teaching staff.

### NATIONAL KEY PERFORMANCE INDICATORS

#### First-Rate Education System

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Average TIMSS Score	An indicator that reflects the nation's ranking and score in the TIMSS test, which evaluates the math and science skills of students in grades 4 and 8	International Association for the Evaluation of Educational Achievement	Rank 23 of 42 (2011 report)	Among the top 15 countries	Ministry of Education
2	Upper Secondary Graduation Rate	An indicator that measures the percentage of national students graduating from secondary education out of the population in the age group of 18 years (measured as the number of graduates, regardless of age, divided by the population aged 18 years)	Ministry of Education and The Federal Competitiveness and Statistics Authority	86.16% (2014)	90%	Ministry of Education
3	Enrollment Rate in Preschools (public and private)	An indicator that measures the percentage of children between the age of 4 and 5 who are enrolled in preschools (This indicator emphasizes the importance of providing children with a good foundation at an early age)	Ministry of Education and The Federal Competitiveness and Statistics Authority	87.95% (2014)	95%	Ministry of Education
4	Average PISA Score	An indicator that measures the country's ranking and scores in the PISA exam, which evaluates the reading, mathematics and science skills of 15 year old students.	Organization for Economic Co-operation and Development	Rank 46 of 65 (2012 Report)	Among the top 20 countries	Ministry of Education
5	Percentage of Students with High Skills in Arabic, According to National Tests	An indicator that measures the share of ninth grade students with high skills in the Arabic language (reading, writing, spelling) according to national tests. The indicator covers students in public and private schools applying the Ministry of Education curriculum (NKPI specific to UAE)	Ministry of Education	58.85% (2014)	90%	Ministry of Education
6	Percentage of Schools with High Quality Teachers	An indicator that measures the percentage of schools that meet certain quality standards of teachers based on a clear system of measurement and evaluation.	Ministry of Education	Work in progress	100%	Ministry of Education
7	Percentage of Schools with Highly Effective School Leadership	An indicator that measures the percentage of schools that achieve high scores on effective school leadership based on the school accreditation system.	Ministry of Education	26% (2013)	100%	Ministry of Education
8	Enrollment Rate in Foundation Year	An indicator that measures the share of students who have to undergo foundation year (a program usually focusing on strengthening Arabic, English, Math and IT) out of the total students enrolled in the universities in the same year.	Ministry of Higher Education and Scientific Research	78% (2014)	0%	Ministry of Higher Education and Scientific Research

Our Participation

- Opening Organizations which assess and rank students according to their learning capacities.
- Would be able to offer exceptional priced tutoring for candidates under the expected level
- Establishing more number of preschools in every locality at subsidised fees.
- teachers would be able to persuade children and their interest in reading, mathematic and Science
- School provide professional and fully trained arabic teachers.
- All teachers must pass a teaching exam in UAE before they can get certified to teach.
- by giving the students responsibilities on certain areas.
- offering scholarships to move students.

## Since success requires an open mind and healthy body, the UAE Vision 2021 National Agenda aims to achieve a world-class healthcare system

The Government will work in collaboration with all health authorities in the country to have all public and private hospitals accredited according to clear national and international quality standards of medical services and staff.

Furthermore, the National Agenda emphasizes the importance of preventive medicine and seeks to reduce cancer and lifestyle related diseases such as diabetes and cardiovascular diseases to ensure a longer, healthy life for citizens. In addition, the Agenda aims to reduce the prevalence of smoking and increase the healthcare system's readiness to deal with epidemics and health risks. This will result in the UAE becoming among the best countries in the world in terms of quality of healthcare.

### NATIONAL KEY PERFORMANCE INDICATORS

#### World-Class Healthcare

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Number of Deaths from Cardiovascular Diseases per 100,000 Population	An indicator that measures the deaths from cardiovascular disease per 100,000 population.	World Health Organization	297.6 deaths per 100,000 population (2012 figure published in the 2014 report)	158.2 deaths per 100,000 population	Ministry of Health
2	Prevalence of Diabetes	An indicator that measures the number of people between the age of 20 and 79 with diabetes in the UAE, as a proportion of the total population. (This age group is aligned with the age group used by the International Diabetes Federation).	International Diabetes Federation	19.02% (2014)	16.28%	Ministry of Health
3	Prevalence of Obesity amongst Children	An indicator that measures the proportion of children between the ages of 5 and 17 who are considered obese out of the total children of the same age group. The definition of obesity in children is where BMI is > +2 Standard Deviations with reference to the relevant Z-score chart regarding BMI-for-age.	Ministry of Health	13.17% (2014)	12%	Ministry of Health
4	Average Healthy Life Expectancy	An indicator that measures the average number of years that a person can expect to live in full health.	World Health Organization	67 years (2013 figure published in the 2015 report)	73 years	Ministry of Health
5	Prevalence of Smoking any Tobacco Product	An indicator that measures the daily consumption of cigarettes and tobacco products among different segments of society of different ages.	Ministry of Health	21.6% among men 1.9% among women (Ministry of Health 2010)	15.7% among men 1.66% among women	Ministry of Health
6	Number of Deaths from Cancer per 100,000 Population	An indicator that measures the deaths from malignant tumors per 100,000 population.	World Health Organization	99 deaths per 100,000 population (2012 figure published in 2014 report)	64.2 deaths per 100,000 population	Ministry of Health
7	Percentage of Accredited Health Facilities	An indicator that measures the share of public and private hospitals adhering to national or internationally recognized standards (NKPI specific to UAE)	Ministry of Health	46.8% (2014)	100%	Ministry of Health
8	Healthcare Quality Index	An indicator that measures the quality of healthcare from (3) perspectives: basic health outcomes, health infrastructure and preventative care, and physical and mental health satisfaction.	Legatum Prosperity Indicator	Rank 34 (2015)	Rank 20	Ministry of Health
9	Number of Physicians per 1,000 Population	An indicator that measures the average number of physicians per 1,000 population (including general practitioners and all specialties except dentistry)	World Health Organization	2.53 physicians per 1000 population (2007-2013 average published in 2015 report)	2.9 physicians per 1000 population	Ministry of Health
10	Number of Nurses per 1,000 Population	An indicator that measures the average number of nurses per 1,000 population.	World Health Organization	3.16 nurses per 1000 population (2007-2013 average published in 2015 report)	6 nurses per 1000 population	Ministry of Health

#### Handwritten Notes

Raising campaigns & donations for patients suffering from cardiovascular disease in schools.

Diabetes awareness centers and campaigns for free checkups for levels of sugar in the blood.

Solved by monthly checkups at school to calculate BMI and rate the point of obesity.

Can survey blood pressure, BMI, and throughout blood test to find levels of glucose/haemoglobin.

Cigarette packs are containing warnings to warn smokers of the consequences of smoking.

Give away free items to support the disease and ask for donations for sufferers

Ask trendy stores to advertise symptoms of the disease.

Open a center created to broaden the knowledge of healthcare quality in UAE as a whole.

Creating a social media area to promote the hiring of physicians.

Flyers, posters and letters created offering a job as a

## The UAE Government wants to ensure sustainable development while preserving the environment, and to achieve a perfect balance between economic and social development

To do that, the UAE Vision 2021 National Agenda focuses on improving the quality of air, preserving water resources, increasing the contribution of clean energy and implementing green growth plans.

Also, the National Agenda highlights the importance of infrastructure and aims for the UAE to be among the best in the world in the quality of airports, ports, road infrastructure, and electricity. And leading telecommunications infrastructure will allow the UAE to become a forerunner in the provision of Smart services.

Finally, seeking to further improve the quality of life of its citizens, the Agenda has set a target to provide suitable housing for eligible UAE nationals within a record timeframe.

### NATIONAL KEY PERFORMANCE INDICATORS

#### Sustainable Environment and Infrastructure

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Air Quality Index	An indicator that measures the quality of air in terms of supplying daily information on pollution and the negative effects it may have on human health. The indicator measures the (4) main air pollutants: nitrogen dioxide, carbon monoxide, sulphur dioxide, ozone	Ministry of Environment and Water in Coordination with the National Center for Meteorology & Seismology	66.77% (2014)	90%	Ministry of Environment and Water
2	Percentage of Treated Waste of Total Waste Generated	An indicator that measures the percentage of treated waste out of the total generated waste (solid municipal waste) using various treatment methods (recycling, incineration, waste-to-energy, chemical treatment, except for the landfill), in line with the methodology used by the OECD.	Ministry of Environment and Water in Coordination with The Federal Competitiveness and Statistics Authority	14.08% (2011)	75%	Ministry of Environment and Water
3	Share of Clean Energy Contribution	An indicator that measures the contribution of clean energy sources (renewable, nuclear) to the total energy mix.	Ministry of Energy	0.243% (2014)	24%	Ministry of Energy
4	Water Scarcity Index	An indicator that measures water oversize by monitoring fresh water usage (including surface water, renewable water and fossil water) as a percentage of overall renewable water in the UAE. The result is weighted to take into account desalination and waste water treatment.	Ministry of Energy	Ratio of 7.9 (2014)	Ratio of 4.0	Ministry of Energy
5	Networked Readiness Index (Telecommunication & IT sectors)	A composite indicator that measures the readiness of a country to capture opportunities provided by information and communication technology to increase competitiveness based on (4) perspectives: Environment (the regulatory environment for information and communication technology and the environment for business and innovation), Readiness (Infrastructure for information and communication technology and availability of expertise / skills), Usage (use of ICT by individuals, businesses, and government), Impact (the economic and social impact of information and communication technology).	World Economic Forum - Global IT Report	Rank 23 (2014 Result- 2015 Report)	Among the top 10 countries	Telecommunications Regulatory Authority
6	Quality of Air Transport Infrastructure	An indicator that measures the overall level of infrastructure at airports in the country and its adherence to international standards	World Economic Forum - Global Competitiveness Report	Rank 2 (2015 - 2016 Report)	Rank 1	General Civil Aviation Authority
7	Quality of Port Infrastructure	An indicator that measures the overall level of infrastructure of ports in the country and its adherence to international standards	World Economic Forum - Global Competitiveness Report	Rank 3 (2015- 2016 Report)	Rank 1	Federal Transport Authority- Land & Maritime
8	Logistics Performance Index	A composite indicator that measures the quality of infrastructure support for logistics activities based on a global survey on the performance of logistics in (6) perspectives: the effectiveness of border and customs management in terms of simplicity and speed, the quality of trade and transport infrastructure, the ease of shipping at competitive prices, the efficiency and quality of logistics services, the ability to track and trace cargo, and arrival of cargo to destinations on time.	World Bank	Rank 27 (2014 Result- 2014 Report)	Among the top 10 countries	Federal Transport Authority- Land & Maritime
9	Quality of Overall Infrastructure (such as transportation, electricity and telephonic lines)	A composite indicator that measures the overall level of infrastructure based on (2) perspectives: the infrastructure for transport and the infrastructure for electricity and telecommunication. The first perspective assesses the overall level and quality of road networks, air transport infrastructure and port infrastructure, while the second perspective assesses the quality of electricity supply and telecommunication infrastructure.	World Economic Forum - Global Competitiveness Report	Rank 4 (2015-2016 report)	Rank 1	Federal Competitiveness and Statistics Authority
10	Online Services Index	An indicator that measures the evolution of e government services (i.e., smart services) in terms of availability, quality, connectivity and diversity of channels and the use by the public of these services.	United Nations E-Government Survey	Rank 12 (2014 Result- 2014 Report)	Rank 1	Telecommunications Regulatory Authority
11	Time to Obtain a Loan/ House from the Government for UAE Citizens	An indicator that measures the extent to which the country meets the housing needs of UAE citizens by measuring the waiting time between the date of application and the date of obtaining the loan/house (NKP1 specific to UAE)	Sheikh Zayed Housing Programme	Work in progress	2 years from application date	Sheikh Zayed Housing Programme

Spend less money on generating this by bringing awareness and prevention

Using recycling bin a home and in school, use natural energy and using leftovers & compost.

Use more natural resources use drinking water for drinking not other activities

Use this more wisely and mainly for business. Get more accurate readings by checking from time to time

Better food quality and wider seat

Raise an awareness of everyone to know

Use less transportation and conserve oil / petrol for a cleaner environment

To be accurate on knowing what's best when it comes to quality and detailed info.

Give campaign, posters awareness of the index

Raise awareness for detailed instructions / organisation.

## The UAE Vision 2021 National Agenda strives to preserve a cohesive society proud of its identity and sense of belonging

Thus, it promotes an inclusive environment that integrates all segments of society while preserving the UAE’s unique culture, heritage and traditions and reinforces social and family cohesion.

Furthermore, the National Agenda aims for the UAE to be among the best in the world in the Human Development Index and to be the happiest of all nations so that its citizens feel proud to belong to the UAE. The National Agenda also sets an ambitious plan to increase the UAE’s achievements and medals won in international and Olympic games.

### NATIONAL KEY PERFORMANCE INDICATORS

#### Cohesive Society and Preserved Identity

INDEX	INDICATOR	DEFINITION	SOURCE	RESULTS	2021 TARGETS	KEY SPONSOR
1	Happiness Index	A composite indicator that measures an individual's assessment of their standards of living and life satisfaction, using a survey to assess the extent to which individuals feel happy and satisfied with their lives. It includes perspectives such as income level (GDP per capita), average healthy life expectancy, social support, generosity, absence of corruption, and freedom to make life choices.	United Nations Sustainable Development Solutions Network-Gallup World Poll	Rank 20 (2014 - 2015 Report)	Among the top 5 countries	Federal Competitiveness and Statistics Authority
2	National Identity Index	A composite indicator that measures the sense of belonging and national identity of citizens. (NKPI specific to UAE)	United Arab Emirates University	90.8% (2014)	100%	Ministry of Culture, Youth, and Community Development
3	Human Development Index	A composite indicator that measures the well-being of nations on (3) perspectives: age (life expectancy at birth), educational attainment (literacy and enrollment rate in primary, secondary and tertiary education), and the standard of living (GDP per capita)	United Nations Development Programme	Rank 40 (2014 Report)	Among the top 10 countries	Federal Competitiveness and Statistics Authority
4	Social Cohesion Index	A composite indicator that measures the level of national and social cohesion among the people in the UAE based on the following themes: family cohesion, education, culture, equality, justice, security, participation and national belonging (NKPI specific to UAE)	Higher Committee for National & Social Cohesion	86% (2013)	Work in Progress	Higher Committee for National and Social Cohesion
5	Family Cohesion Index	A composite indicator that measures the social bond between family members. Its main perspectives cover: relations between parents, parents' relations with children, relations among children, relations with bigger families, upbringing of new generation (NKPI specific to UAE)	Ministry of Social Affairs	86.4% (2013)	95%	Ministry of Social Affairs
6	Number of Olympic medals won	An indicator that measures the achievements and number of medals collected in the Olympic and Paralympic championships in various sports	General Authority for Youth and Sports	13 (up to 2014)	20	General Authority for Youth and Sports

Ludvig Lindstrom, the head of the world happiness body, said: "The reason we decided to launch a Global Happiness Organization in the UAE is because of our good contacts of people in the community, who are passionate about our work."

UAE's happiness level is really good that even the head of the world happiness body complimented the social society's level of happiness.

A UAE newspaper has praised the remarkable human development gains made by UAE, as revealed by the UNDP report. "Made progress on all three components of Human Development."

Improvements in government efficiency and economic performance helped the UAE hit top 10.

Parenting skills to be improved through counselling of parents and children for better relationships. Developing an effective parent, child school communication collaborating community serving through which family serves and a cohesive relationship is in the family. Learning support given by parents to children at home a healthy family relationship.

United Arab Emirates have competed in seven summer olympic games. It olympic medal won in 2004 summer olympics in Greece, the sport won in was shooting by Ahmad Mohammad Hasher Al Maktoum.
